

TC 6.3 Meeting Minutes

<http://tc63.ashraetcs.org/>

July 1, 2014

Diane Jakobs (diane.jakobs@rheem.com)

- Roster
 - No quorum
 - New roster will be effective in July
 - Request that members update their bio on the ASHRAE website
 - Pick category
 - Category affects roster balance
- Research – Kristin Heinemeier
 - ~ 16 projects awarded / meeting
 - Nothing is waiting for funding
 - Completed projects – 16
 - Funded projects – 20
 - RFP – 12
 - Possible project on interaction of 2 residential HVAC systems in a home.
 - RTAR question “Is this viable research?” and “Has it been done?”
 - RAC hopes that most RTARs that are rejected with comments will be resubmitted
 - Co-funding is very helpful
- 2016 ASHRAE Handbook
 - New Handbook Chair needed
 - Chapters 10 (Furnace) and 33 (Small Forced Air) are due on 6/13/15
 - Formed Subcommittee
 - Kevin Mercer
